Security Gates

FENCE PANELS

ACT fence panels are constructed from solid welded aluminum, without any screws or rivets. For added security, optional aluminum expanded metal can be directly welded to the pickets in areas where extra protection is needed, such as next to pedestrian or vehicular gates.

Our Fence Panels:

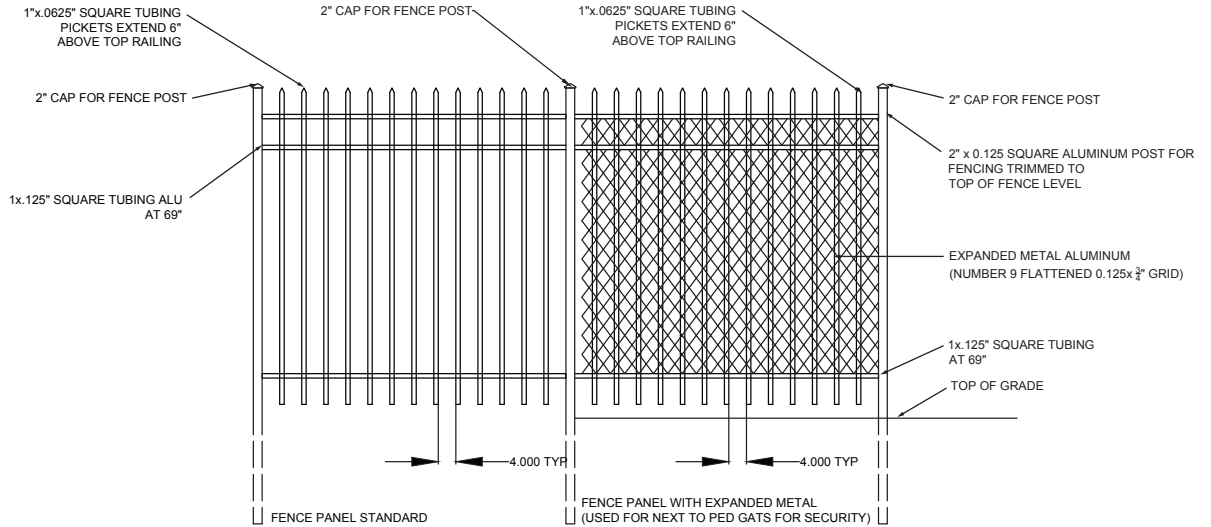

- Panels are 6' wide x 6' tall
- Length can easily be trimmed down to fit smaller gaps
- Plenty in stock and can be quickly shipped upon request
